Captain Sugar

Caleb was very hungry. He grabbed some fried chicken from the fridge. Popped it in the microwave, and set the timer for 2 minutes. When the timer went off he grabbed the chicken and took a bite and then he suddenly realized he was covered in chicken and oil. His life was miserable. Caleb limped to his bathroom because he got hit in the leg with some sugar. Then when he reached his bathroom Caleb heard captain sugar say "I tricked him now for his best friend". Caleb had enough with all this funny business. He raced to Isabella's house and told her that they have to run away together or else captain sugar would capture them both suddenly Isabella broke into a large cry.

Moving

Caleb asked her "why are you crying" (sniffle sniffle) I never told you I can prevent Captain Sugar from coming here "how" "I have a magical bag" For 1 full hour they were as silent as no one was in the room. But to be more safe they started packing their stuff. Suddenly someone spoke in a different language. They both exchanged glances at each other. Then they stepped in the magical bag. Then together they drifted off into another land. Startled the two friends drew out swords from the magical bag. They fought with Captain Sugar's soldiers till the friends realized that Captain Sugar's soldiers were made out of sugar so

they grabbed some water and sprayed them till they were dead and they stopped at lunchtime.

A secret

They ate the same food and when they did that the two friends read each others minds and they knew that wasn't normal so they realized...that they were magical just like Isabella's bag.They saw in their minds that they were twins they were also born in a secret hole.They were not normal they were magical and they were wished for.They were exactly alike "We have to find that hole"they said together.

Festus

Suddenly a mini dragon flew up to them and put its magical claw on their chins "Festus was the magical dragon" Caleb said "he gave us his powers" Festus pointed to a bad dragon "run for your lives" He squawked. Instead they took their water and swords and fought. They threw water. They scratched with swords but they knew they were never going to kill it they would first have to kill Captain sugar then kill the dragon and then find the secret hole. Then they spotted an ordinary hole that looked like it was the secret hole , so number three would be off the list. "Ow ow ow ow" the captain sugars minion dragon wailed when he was hit with a load of arrows that surprisingly wasn't thrown by Caleb or Isabella.

A Horrible Surprise

Captain sugar walked in made a sugar tower out of the sugar he could squirt out of his hands and grabbed Caleb "help me" he squealed . Isabella ran as she managed to say to herself that"Captain sugar is such a ding-a-ling.He put Caleb in the sugar castle and put a lock on it.I can break into the castle by picking at the lock with my lock pick that is in my magical bag" Isabella took a water hose out of her bag and yelled"eat your own face Captain Sugar"she spayed the castle with a hose then she realized that the tower was made out of wood covered in cigarettes that had sugar pounded on it.Inside the tower there was sugar monsters made out of the wood,cigarettes and pounded with sugar and also have a computer in their brain so did the tower. Plus Isabella knew how to kill a computer and she could kill them forever.

Controlling Monsters

“Sugar monster can you say control, alt and delete” “control,alt and delete””beep ap upp eap toop tap eep app aaaa”The monsters fell down”yes I killed the sugar monsters” “Isabella over here”Caleb was still locked in the castle and captain sugar was painting his nails pink”I love the color pink”captain sugar cheerfully said.”I’m coming Caleb”Isabella shrieked. Isabella crept past captain sugar. Snuck a crowbar into the castle.She tiptoed to the castle pried the door open.

To the Rescue

Suddenly a little doggy named Destiny hopped on the tower and bit the security system.””CALEB ARE YOU ALIVE”Isabella screeched”I’m free”Caleb yelled as the tower tumbled down to his feet.He grabbed Destiny and hugged her.Destiny let out a little”ruff”happily she licked his face.Caleb cheerfully said”Destiny is my dog and the best dog ever”. Then Destiny let out a little wince of pain.”she’s hurt” Caleb sadly whispered to Isabella.Isabella grabbed a bandage wrap from her magic bag and gave it to Caleb.Caleb sadly took a handkerchief and wiped the blood from Destiny’s ankle then he wrapped her leg in bandage wrap and it seemed that captain sugar squirt sugar as soon as Caleb hugged her and thanked her for saving his life.

An Angel

Suddenly Destiny glowed like an angle then turned into an angel.”thank you and I am going to give you a reward and you will not regret it , thanks for saving my life”Destiny sweetly said.Caleb was astonished and he stared at her in amazement .Then started stuttering “b-but y-you””tigo tago tingca patoo””did you here that?”Isabella asked Caleb.

EVIL Strikes

Caleb fainted.”tigo tago tinca patoo””There it goes again”Isabella thought Then she remembered something.She thought of an alarm clock.”Bing ,Bing,Bing”Then Caleb came to his senses and Isabella fainted.”That hurt”Caleb thought.”toka meama goicea cam pye toorop peepkoa sisdoa gaoa toa pampertyuiera peepa dosa mamy mmma tolaka peean adosakingorea teapa topa milkym ousdisa mouse dasona mea wanta sonaga”Captain sugar said in a different language.

Isabella finally woke up and whispered to Caleb”I take karate and I am a black bet”Then told him her plan the he shared his plan.Then Isabella ran to captain sugar and punched him in his face till he became unconscious and gave Caleb a thumbs up.Caleb grabbed a piece of concrete and once he came back to his senses Caleb threw up on him and threw the concrete at captain sugar.

A Funny Surprise

5,000,000,000,000,000,000,000,000 solders piled on top of each other as Captain Sugar awoke.Caleb and Isabella cracked up.5 minutes later all the solders zdied.Captain sugar was drinking milk out of a baby bottle with a nipple.Then captain sugar laughed so hard that milk squirted out of his nose and eyes.Captain sugar was a girlie girl and plotting something the castle was just giving him time.Captain sugar was probably planning on taking them to his world and turning them into slaves.

Zoo-Zoo

In the bag a darling kid named zoo-zoo came out and bolted into captain sugars arms and wouldn't let go of him when she lost grip of his arm she got grip of his leg and she read an ancient language off of her favorite book while riding on his leg."EXPELLIARMUS"suddenly she turned into a fake devil she was also an angle.She pretended that she was bad it was part of Isabella's plan.Then she would find out captain sugar's plan, and the plan was working ,captain sugar told zoo-zoo his plan.His plan was to capture the twins and take them to Peru and feed them to a dragon on November 24 2598 and today it was November 23 2598.He was going to have to act fast.He made a run for it and failed.Peru was going to have to wait anyways he didn't even buy tickets.Captain sugar took a snake named Voldemort bit the ticket agent and the ticket agent died by getting poison went throughout his nerves and vains and the rest of his body."EVIL ROCK,EVIL ROCKS,EEEVVVVVIIIHIIIIILLLLLLLLL RRRRRRRRRROOOOOOOOOOOKKKKKKKKKK KKSSSSSSSS EVIL BEATS GOOD EVIL SHOULD BE SPREAD ACROSS THE UNIVERSE""he talks to loud"Caleb thought."gicha toccha peepa popa ina limous cortatio and wingadia leviosa"Captain sugar saw a ancient language on a wall of his princess castle and read it out loud and then it happened again.

Repetition of what Already Happened

Isabella slept and woke up and whispered to Caleb "I take karate I'm a black belt" Then told him her plan then he shared his plan. Then Isabella ran to captain sugar and punched him in his face till he became unconscious and gave Caleb a thumbs up. Caleb grabbed a piece of concrete and once he came back to his senses Caleb threw it on him and threw the concrete at captain sugar. 5,000,000,000,000,000,000,000,000 soldiers piled on top of each other. Caleb and Isabella cracked up. 5 minutes later all the soldiers died. Captain sugar was drinking milk out of a baby bottle with a nipple. Then captain sugar laughed so hard milk squirted out of his nose and eyes.

Being EVIL

Captain sugar was a girlie girl and plotting something the castle was just giving him time. Captain sugar was probably planning on taking them to his world and turning them into slaves.

In the bag a darling kid named zoo-zoo came out and bolted into captain sugars arms and wouldn't let go of him when she lost grip of his arm she got grip of hi leg and she talked in the same language just like Captain Sugar "jghi hadi uma sona thonatoma" then she read out a language that no one knew. "EXPELLIARMUS" Then she would find out captain sugar's plan, and the plan was working

,captain sugar told zoo-zoo his plan. His plan was to capture the twins and take them to Peru and feed them to a dragon on November 24 2598 and today it was November 23 2598. He was going to have to act fast. He made a run for it and failed. Peru was going to have to wait anyways he didn't even buy tickets. Captain sugar took a snake named Voldemort bit the

ticket agent and the ticket agent died by getting poison throughout his nerves and

vains and the rest of his body. "EVIL ROCK, EVIL ROCKS, EEEVVVVIIIIIIILLLLLLLLLL

RRRRRRRRRROOOOOOOOOO KKKKKKKKKK

KKSSSSSSSS EVIL BEATS GOOD EVIL

SHOULD BE SPREAD ACROSS THE UNIVERSE"

Just about then Caleb and Isabella sneaked up and picked up a metal rock and threw

up on captain sugar then they gripped the rock. Then threw the rock at captain sugar.

Once he woke up he pretended had his memory was wiped out. He was very bad at pretending. He grabbed tickets to Peru and “d u wan to go with zme?” “guess” “get your suitcases” “nnnnnnnnnnnoooooooooooooooooooooooooooooo oooo” “r u sure abou that mate?” “if it means not going to Peru with you then yes” “I don’t think so” “i do” “Come or else ………” “or else what” “or else something you don’t want will be coming and facing you in in challenge. ” Isabella drew out two wands and together they said the killing curse “AVADA KADABRA” don’t even try you can’t kill me even with the most powerful curse I know , I drink unicorn blood and no one can kill me I am too powerful I am tremendous and horrible I rock I should be in the newspaper .

Evil Genius returns wonderfully he just found magical kids that will help him live or else they will die. They are making a potion and needs their blood to make the potion.

Newspaper Reporter Blond Beautiful Rina Tater. “If wonderful

me does not show up to see Bertha take your blood I am definitely leaving this task to Blondie Rina Tater or should I say Lovely , beautiful , kind also Evil , Evil , Evil ohh I love when I say those words.” “If you make one potion for me I will not kill you or ooooh boy do I not want to say the words that are about to come out of my mouth b-b-bu-but I will not take the blood out of you , my servant Bertha clumsy girl very very clumsy will take ummmmmmm probably all of your blood because I

personally know that I need at least a drop do you want to take the blood out of your body?””or specifically their heart or arteries because I need pure blood.”he thought in his mind“I or shall I say we decided we want to know where we have to take the blood out of “”just simple places like arms , knees ,fingers ,heart , artery” he whispered the last two word that came out of his mouth.”Do you need blood from my heart or artery because I thought I heard you say those two body parts that I just said and the only body parts that deliver pure blood and purify my blood””maybe””truthfully , the defenition of truthfully is to be telling the truth.””I thought truthfully meant the opposite of what you just said.“said Captain Sugar sarcastically.

Grunt and Zoo-Zoo

”Grunt seriously I didn’t mean to call you Salmon I mean the fish I really am sorry but on the bright side your a muggle and Salmons delicious , Grunt I am sinking HELP ME GRUNT “Her voice drowning it sort of sounded like.....like zoo-zoo”no no and no”said Grunt annoyed”ohhhh noooooo zoo-zoo my evil partner I am coming for you”shrieked Captain Sugar”hurry I can not swim.”Captain Sugar could not drown because he was not really human.

Rina Tater

”Rina Tater Reports that Rina Tater is going to meet someone EVIL he says I am a twinkling star i the night sky.He and I are going to talk over dinner.He is very kind , giving , magical and I think personally that he is quite a handsome man I have not met him but I saw the pictures of a superstar with blue twinkling eyes that he said that was him lets hope that handsome person is not Captain Sugar he was last seen where two amazing magical kids were born it turns out these children are no or ordinary children these are kind, astonishing and very smart twins.Who are these children?”

How does Rina Tater know that Captain sugar was last seen with us in Pennsylvania because last time I checked we were in Atlanta at home and the Captain Sugar detector said that he was in Atlanta and right beside us , anyways , now where is the secret hole , it disappeared.

Another Land

Then suddenly they apparated to another land this was a girl land and Captain sugar was a girl.

“hi I am Captain sugar , who are you and what are you doing here?”I am Isabella and this is my brother and we want to warn you that in the future you will become a man””also we predict that it will rain in ten seconds ten, nine , eight , seven , six , five , four , three , two , one and zero “boom” went the rain and the rain also said “nerd power” and it muttered “you are going to be a cuckoo when you grow up”

More Languages

”jetth ewek michous neonght MEAP mwek cya venngethous McKeel Elementary cepo copa capuiad lacous de noes festes ig miney peethi thwam."captain sugar said in a sweet language."SAY WHAT WE SPEAK ENGLISH NOT WHATEVER THAT LANGUAGE IS!" "ohh sorry that was my home language did you know that I can communicate with creepy animals including snakes , spiders , the people who died and a lot of other things with just one language we all speak did you know that in two minutes you and me will apparate to this cruise called carnival miracle I hear it is over 100 feet tall that is amazing is it not?"On the other hand Caleb and Isabella did not listen to the end but instead they asked "hey ummmmmm what year and time is it because we have never been to this place and we are in a lot of places." "the year is 2004 and the time is 3:30 in the morning."

The Cruise

The next morning they woke up in a ship. They found suitcases in their cabin with some chocolate and they realized that the suitcases had their stuff in it or should I say everything they owned. "do you like it" astonished Caleb and Isabella immediately spun around to find a thin , beautiful , blond, in a two piece swimsuit as she introduced herself but they did not hear a word coming out of her mouth. When she was chatting away as Caleb and Isabella got dressed and grabbed their cards they were both ready to go to breakfast. They went to breakfast had a bowl of fruit loops and a cheese omelet they were now headed for the casino.

The Casino

They are now annoyed about the girl Tatiana because she was at the casino with captain sugar and they kept on winning things and that made Caleb and Isabella win things that they wanted to win without even trying to win they were trying to have fun not win.

They also won \$1,000 and an iPad 2 in one try that was awesome the weird thing was that they got to play the game but when they put the money in it came out. Then they went to lunch they both stood in the DELI line and ordered two American cheese, lettuce and mayonnaise sandwiches on white bread grilled. When they were about to one mouth-watering bite they both listened to a high pitched laugh and squeal of delight.

Bothered they turned around to see Rina Tater then Rina asked Caleb and Isabella a question and the question was “are you two kids I wrote about in the daily paper?” “Depends Ugly Tater will you publish everything we say or change what we say?” “the name is Rina Tater and of course kids I am recording what you are saying right now, so kids what are your names?”

”we won’t tell you we are not going to tell you a thing about our lives and about our selves that is our business not your beeswax and are you putting on your wrinkle cream because I see three thousand five hundred ninety-nine layers of that cream you use every day also I can tell you are five million years old you just drank a potion when you were born till now to make you live forever.” “erase it boys , that is it I have had enough of you two and ha ha you just got burned

by a pretty girl.””no you just got burned by a boy five million year old never put us on the daily paper again.”replied Caleb sternly but polite a little bit.

Then two seconds later Rina Tater left while Caleb and Isabella enjoyed their now cold sandwiches. Then they ate ten of those sandwiches in all had a lick of ice cream that was surprisingly free!

The Joker Room

After all of that food was eaten they headed towards the Joker room and then ran to guest services and asked for five hundred thousand fifty three hundred thirty-three decks of cards. Then they headed back to the joker. "beep" went the alarm "Crrraaaakk" went the loud speakers "we have arrived at St. Maarten or St. Martin. Please exit the Carnival Cruise lines so you can experience beautiful sunsets till 1:00 pm today so see the sunset quick and there is a raffle tonight so write your name and age on your raffle ticket and Caleb and Isabella you will have to defeat these giant ants that are 500 feet tall and I will be seeing you at the ticket raffle too so you can get your gift which is very valuable and if you do not come you will be reported to the chief the chief is named ummmmmmm I think his or her name is Count Olaf owwwwwww" "I told you not to tell them my pet name" "crrraasshh" "booom" "get the baby bottle please pasture" I told you stop clinging on to me and my name is not pasture it is Captain sugar the man did you hear me you dingos your as foolish as the animal dingo now if you do not kill my army ants I will kill yyyyyooooouuuuu or you will kill your self Caleb please say the honers and the other foolish lady that is a nobody please attack your brother" "no way you mean dingo and never ever ever talk to us again in well today tomorrow day after and I will repeat my self only once more and what I said is NEVER TALK OR DO ANYTHING MORE TO ME AND ISABELLA WE DESERVE RESPECT WE HAVE RIGHTS AND YOU ARE NOT GOING TO RUIN THEM YOU WARTHOG" "AND ISABELLA WILL

VERY FUNNY RIGHT AND GUESS WHAT WE

GOING TO COLLAGE MY mom will be so proud of

“mommy”he/she said sadly “I was three my mom told
me be whatever you want to be then you will have a
lot of money and you can exercise and eat well.But
when my mom ran away that day I never I-I ne-never
did what she told me to and now I think what I did was
wrong.

Captain Sugars Birthday

“kids wake up time for breakfast”captain sugar woke up “MOMMY OHH MY MOMMY I MISSED YOU SO MUCH MINERVA SUGAR “”now do not get your self in a lot of trouble and today is your first day of collage or should I say Harvard HAPPY BIRTHDAY CAPTAIN SUGAR””mom I am 1234890765 years old and you are 11223344556677889900 years old it is impossible for me to go to collage mom.””and where is papa ohh I really miss papa bell and what about cousin Dorothy , cousin count Olaf , and Caleb and Isabella they helped me throughout every step of the way and they found you and pap and Dorothy and Count Olaf buddy and they are nice.””son we were not born to be nice we were born to be EVIL so I kicked them out of the house and they should be running into the car that holds your cake about now “boom , boom , boom””that was more booms than I expected.””Yikes Problem I gave them an ageing potion instead of water.””great work mom , now they are two times as old as you and they can not get anything done like we can not treat them as servants ohh we forgot to make them kill the 50 feet tall ants “”boom”Caleb and Isabella busted the ants butts in two with a hammer and then made a gigantic book out of their magic and lifted the book into the air and “ bonk “ the ants butt came off and then took a 1234567890 pound house and threw it on the ants.”” boom , boom , boom “”cheeseheads you are supposed to do something special for my birthday like get me a present for my birthday “”we did open the coffin”then Captain Sugar opened the coffin and saw a shadow then heard a

“boom””I am a zombie I will eat your brain and you were in the secret hole forever you can never get out of the secret hole unless you are not magical.Startled Caleb realized that was the reason why captain sugar was always there because everyone in there is magical.

The Skit

So two days later Isabella and Caleb went to the ticket booth and reached for a ticket to the Little Red Ridding Hood three dimensional skit that was supposed to be really good. Then they recognized the person at the photo booth it was Captain Sugar and he had something to say “ \$500 for Caleb and Isabella otherwise the price of the ticket is \$1 put your tips in this jar and if you are Caleb or Isabella you might as well give me 7,000 dollars” Then Caleb and Isabella spotted a blind woman with 500 children “mommy” said Caleb and Isabella.
